FRAUD AFFIDAVITS SENT TO FEDERAL AUTHORITIES

REGISTRATION OF NEGROES IN
EVANSVILLE ATTACKED.

INVESTIGATION BY CITIZENS

(Special to The Indianapolis News)

EVANSVILLE, Ind., November 6.—The latest political sensation of the campaign was sprung here when it was announced by a citizens' committee that affidavits have been presented to the federal authorities alleging wholesale fraud and conspiracy in the registration here. This evidence centers about the Cap Jones "palace of pleasure," in Water street.

Recently a citizen of Evansville went to Indianapolis with a mass of sworn testimony, and presented to federal agents for the coming session of the federal grand jury. Before the registration, October 2, a newspaper here charged that the names of fifty-two negroes had been handed to poll book takers as legal residents of Cap Jones' negro hotel when there were only fifteen beds in the entire building.

Detectives Were Employed.
A meeting of a citizens' committee followed and detectives were employed. It was said afterward that amazing evidence of corruption and conspiracy was unearthed. A federal agent recently came to Evansville and more affidavits were given him. According to part of the evidence made public a negro henchman of the Boss-Ossenberg machine gave names of fifty-two alleged negro voters to poll book takers at the sixty-day poll. At the registration only thirty-eight of these negroes actually registered, but an additional thirty-eight negroes were taken to the Ninth precinct polling place and placed on the registration books as legal residents of the Cap Jones hotel. It is alleged. This made a total of seventy voters registered from this place.

Sworn Testimony Obtained.

Detectives probing the identity of these negroes found that one of them had died during the year, several had registered and had lived in other precincts, seven were living in Kentucky and about twenty of them were unknown. Sworn testimony to this effect was obtained, including dozens of affidavits, and they all have been turned over to the federal authorities.

GOSHEN, Ind., November 6.—Complications in connection with registration records in Elkhart county, especially Goshen, may cause serious trouble at the election tomorrow. Many Goshen voters failed to register, acting on information given them by members of registration boards to the effect that such

action was not required. It is now ascertained that not having registered, they have lost their votes. LETTER TO DIVIDED CHURCH

The Rev. F. E. Taylor Tells of Christ's

Action on Thyatira Case.

"Christ's Letter to a Divided Church" was the subject of a sermon yesterday morning at the First Baptist church by the Rev. Frederick E. Taylor. Saying that the church in Thyatira was first commended by Christ for many admirable qualities, he declared that Christ rebuked the church for the division of ideals within it, instigated by the woman Jezebel.

"Jezebel came as a prophet," continued the speaker, "and she did not deny Christ, nor did she deny Christ, but she put something in place of them. A new philosophy was introduced by her teachings, which had in it the ideas of Satan. And the people of the church in Thyatira accepted her teachings. When they did this they wandered away from the teachings of Christ, and the moral standard of the church was lowered. For the same reason the moral standards of many churches today are sinking."

"The religion of Jesus Christ is a narrow religion, in that the way it lays down for us is straight and narrow. We must beware of persons who have special revelations, even as Christ bade the church at Thyatira to beware of Jezebel, and we should keep in mind that the religion of Jesus Christ is a religion for all. The New Testament can be taught, so that even a child can understand it."

SPEAKS AT RALLY MEETING.

J. M. Benson Makes Address at the

Colored Branch of the Y. M. C. A.

J. M. Benson, head of the educational department of the colored men's branch of the Y. M. C. A., addressed the membership rally meeting at the colored Y. M. C. A. yesterday afternoon on "Starting Something." About 150 women were present. More than 100 members were reported since the workers' meeting last Thursday. At the meeting yesterday the membership chairman called for volunteers to organize eleven hour teams to obtain the remaining 300 members necessary for permanent organization of the branch.

There will be a meeting of the board of directors Friday afternoon at 3:30 o'clock. Mrs. E. D. Bowles, national organizer, will be in the city Thursday and Friday. A workers' meeting will be held at the building Wednesday evening.

FAVORS CIVIL SERVICE FOR ALL POSTMASTERS

WILSON SUGGESTS LEGISLATION
LOOKING TO THIS END.

HUGHES ALREADY ON RECORD

NEW YORK, November 6.—President Wilson declared himself as favoring legislation providing for the appointment of postmasters of all classes through competitive civil service examination in a letter to the National Civil Service Reform League, which was made public today. Last week Charles E. Hughes, the Republican nominee for President, endorsed such legislation.

The President's letter follows: "I wish to state that the postmaster-general, in his annual report for the fiscal year ended June 30, 1914, recommended to the congress the enactment of legislation which would permit of the extension of the classified civil service system to include the position of postmaster at offices of the second class. The following year he not only renewed this recommendation, but asked that the position of postmaster at offices of the first class be well."

"I am thoroughly in accord with the recommendations of the postmaster-general, and they have my hearty approval. I understand, however, that the classification of the position does not classify the incumbent, and the person holding the position at the time it is classified will be subject to the same competitive test as others who may apply. When these positions are classified, the postmaster-general will be able to fill many of them by promotion from the clerical grades, also by the promotion of postmasters who have demonstrated their ability from a small office to one of greater importance."

Notice to Tax Payers

Do you appreciate the fact that your County Treasurer has, out of **His Own Pocket**, established thirteen substations at banks in the various parts of the city and county and appointed deputy treasurers, thereby making it possible for you to pay your taxes in your own vicinity, thus saving the trouble of making a trip to the courthouse and a long, tiresome wait after you get there? And do those who do pay them at the courthouse appreciate that he has, also, out of his own pocket, remodeled and made the surroundings more pleasant for you and that by establishing substations that it does away with the congestion at the courthouse and saves you inconvenience and time?

If you do appreciate all these facts, then you will on election day vote to retain the man who has of his own free will done these things for you.

NORTH INDIANAPOLIS TO HAVE COMMUNITY HOUSE

WORK ON THE STRUCTURE WILL
BEGIN IMMEDIATELY.

DIRECTION OF CLAY TRUSTY

North Indianapolis is to have a community house and gymnasium. Under the direction of Clay Trusty, pastor of the Seventh Christian church, Udel and Annette streets, and a committee of church members, money for the project has been obtained, and the contract has been let. Work will be begun on the building tomorrow.

Adjoining the Church.
The structure will be on ground adjoining the church. It will be built in such a

way as to provide, for additions, which will be made later as the association grows financially. The present building will house reading rooms, assembly rooms and a large gymnasium, with a balcony, which may be converted into an auditorium seating more than 200 persons. While the prime purpose of the community house is the moral uplift of the younger residents of that part of the city, it is also planned to provide winter lecture courses in the building, and to hold educational meetings and other public gatherings there. North Indianapolis has no hall suitable for meetings of the citizens.

Membership Not Limited.

Membership is not confined to the members of the Christian church. Every young person of the vicinity is invited to attend the meetings in the community house, when it is completed, and to become a member of the association, regardless of religious beliefs. More money is needed than is now on hand, and a campaign for additional subscriptions is now on. The community house is expected to be self-sustaining after it is built.

Speaks at "Monster Meeting."

The Rev. C. S. Williams, pastor of Bethel A. M. E. church, spoke at the first of the series of "monster meetings" at the colored men's branch of the Young Men's Christian Association yesterday

afternoon at 4 o'clock, his subject being "The Acceptable Man." Mr. Williams said, among other things, that there were too many false leaders in the pulpit, who were misleading the people, both spiritually and politically. Such leaders, he said, should be unmasked, unfrocked and thrown out. F. E. DeFrantz, secretary of the association, said that the association was in the best condition now since the new building was opened.

"WIN MY CHUM" CAMPAIGN.

Plan Outlined by Dr. Wilbur F. Sheridan, of Chicago.

Dr. Wilbur F. Sheridan, national secretary of the Epworth League, spoke yesterday afternoon at the Fletcher Place Methodist church, and at the Central Avenue Methodist church in the evening. Dr. Sheridan came here from Chicago to attend the district rally of the Epworth League yesterday.

In his address on "Personal Evangelism" during the afternoon, Dr. Sheridan outlined a plan for the "Win My Chum" campaign, which will be held November 12-19, throughout the country. He said the object of the campaign is to accomplish the work of the league through individual effort. In the evening Dr. Sheridan spoke on the "Possibilities of Youth." He reviewed what young men had done in history, and spoke of their work in connection with the church.

Every grocery store has its customers who order POSTUM regularly instead of coffee.

They are former coffee drinkers who, for health's sake, changed their table drink.

If you suspect that coffee contributes to your discomfort or illness, ask the grocer for the names of several POSTUM users in your neighborhood; get in touch with them and hear their story.

Or, secure a tin of INSTANT POSTUM and try it on the family table for ten days instead of coffee.
